

ACOL VILLAGE VOICE

December 2023

Village Voice would like to wish all readers a safe and peaceful Christmas and a healthy New Year.

It is with great sadness that I have to advise villagers that this year's Christmas party, for so long a regular institution in Acol, has had to be cancelled. Unfortunately, for various reasons, only 23 people signed up for this year's event which has traditionally attracted 35 - 40. At this level of reduced take-up, the event would have been both disappointing and overly expensive.

I apologise to those who will miss the party, and in particular those who had worked hard to organise what has, in the past, been a highlight in our annual schedule of events.

However, we still have some events for the whole family to enjoy:

Community Carols in the Village Hall

This traditional community carol concert will begin at 6.00pm on Friday 15th December. Everyone is welcome to join in this popular Village event.

Reindeer Drive

This year's Reindeer Drive will take place on Saturday 16th December at 7.30pm.

There will be an American Supper (bring your own drink) and entry will be £5-00 for adults and £2-00 for children.

New Years Eve Party

This will take place on 31st December, and entrance will be free to all villagers. Bring your own food and drink. There will be music, games and all sorts of frivolity.

THANK YOU

To start with, a few words of thanks to all those who work selflessly in the background for the good of the Village.

This year saw wholesale change in the personnel of the Parish Council. It is good to see a new, younger generation bringing fresh thinking and enthusiasm to the role, and I wish them well.

I would also like to thank and pay tribute to the Village Hall Management Committee and their spouses, who have continued to serve the community to the best of their considerable abilities. Iris Osborne, for running the Support Fund, and for her hard work as Secretary and Treasurer, Sheila Bransfield for managing the Hall bookings and Karen Ault, Jude Manser, Chenice Butterworth and Bill Yeoman.

I must also thank David Hayfield, who willingly undertakes whatever urgent maintenance is required - and who erects and decorates our tree so beautifully every year, and the many others who give of their time for the benefit of others.

I should also thank the regular hirers of the Hall, who so obviously value and enjoy the facilities, and without whom we would not be able to ensure the upkeep and provide the necessary enhancements for the benefit of all villagers. On a personal note, I must also thank Bill Yeoman, and Karen Ault for helping me distribute the Village Voice each month come rain or shine.

NEWS FROM THE PARISH COUNCIL

Four Speedwatch volunteers and three Police Officers were involved in joint enforcement activity on Margate Hill, Nursery Fields, and Minster Road on 7th November. Richard had the opportunity to speak to some of the offenders pulled over by the Police and explain why we don't think it's a good idea to speed on our narrow, bendy roads without pedestrian provision (or they could choose to be issued with a speeding ticket 😊). Thanks to all. Further joint sessions will be arranged in the New Year.

Richard met with the Thanet and Dover Highways Community Liaison Officer to discuss highways matters including improved planning and notification of works in our village, modifications to make the Minster Road "build-out" (chicane) more

effective which, if successful, will be replicated at the build-out at the bottom of Acol Hill, and regular contravention of the 7.5 tonne weight limit. Concerning the latter, it was suggested that we should join a "Lorry Watch" scheme operated by KCC, which is under consideration. A further meeting is planned in the new year to review our Highways Improvement Plan (HIP) and consider what other road safety measures are possible.

A meeting with Matthew Elmer, TDC's Head of Cleansing Services to discuss Acol Street cleaning was postponed due to technical difficulties but has been rescheduled and will be reported in our January news.

A "Village Appraisal" booklet - the first stage in developing an Acol Neighbourhood Plan - is being worked-on and likely to be delivered to all village homes over the Christmas period. **Please lookout for this and do not discard.** We really need your active involvement in this important work for our community by completing and returning the enclosed questionnaire.

Sarah's post, in the Facebook Acol Kent Discussion Group, of our booking of the Village Hall for a "bring your own food and drink" New Year's Eve celebration with music and games for all, has met with a lot of interest. Further details will be posted on the Acol PC website and Facebook pages.

Unfortunately, uncooperative weather - over 5 months' worth of rain in 30 days - made it impossible to prepare the promised footpath to Quex Park. The necessary grass will now be sown in the spring.

The fallen tree and others with ash die-back in our Recreation Ground have now been removed and it's planned to replace them with varieties that will provide more seasonal colour, such as Cherry blossom.

There will be a special occasion ahead of the next Parish Council meeting to present "Freedom of the Parish of Acol" to former Acol Parish Councillors who worked hard for our community over many years. All villagers are invited to join the celebration, with mince pies and refreshments provided, at 7 pm on Thursday 21st December. The Parish Council meeting will follow at 8 pm.
